**OCSAA Accreditation Process**

We are beginning the process of re-accreditation through the State of Ohio for our school this year. This process begins with our self-study, which involves looking at the overall effectiveness of our

school. We will be sending home a parent survey, which we ask that you fill out and return to school. This survey will help us determine our strengths and the place where we need improvement.

**Updated Parent Handbooks    Library Info**

Our updated Parent Handbooks were included in last week's folder. Please review these policies with your child/ren. If you have not returned the acknowledgement form, please do so as soon as possible. The handbook is also available on our website. Please keep the handbook for your reference.

Thank You

We are excited to announce; the Library's Taylor Nelson Memorial Reading Room will open again in October. Students from grade k thru 3 are invited to hear stories and take out books. Volunteers help the students find books and read various stories to them. If you would like to volunteer to help, you must already be Diocesan and State compliant. Volunteering to help the students is a rewarding opportunity and contributes to the education of our students.  
 Thank you
