Service Project together with St. Rose CCD After School Policy

A school service project is about giving to those who have less than us. Again, this year we are asking that any students who would like to donate any extra Halloween candy bring it in a ziploc bag to school.

These ziploc bags will be given to various organizations such as JJC , the St. Vincent DePaul Society and other local organizations in our local are.

Please turn these in by Wednesday Nov. 8.

Thank You.

Parents your child is your responsibility once they are dismissed to you at the end of the day. The school is not responsible for any child, who while in the care of their parent gets hurt on the playground. Please remember that the students are not permitted to climb the fence around the playground. No parent should be sitting in the car while his or her child plays on the playground. The children need direct supervision by the adult who picks them up.

Thank You

2nd grade students will be receiving the Sacrament of Reconciliation on Saturday November 11 at 10am in the church. Please keep these students in your prayers as they receive this most blessed Sacrament.
