MyPowerHub Overview

MyPowerHub brings together key information about your child(ren) from multiple PowerSchool tools, conveniently consolidated into one easy-to-access view. Effortlessly access grades, assignments, newsfeeds, two-way messaging, and more—all in a single, centralized hub. Key features of MyPowerHub are:

- **PowerTiles:** These dynamic tiles function as interactive hubs, bringing together data from a range of educational technology solutions into a single, convenient platform.
- **Two-Way Messaging:** Parents and students can now message teachers from MyPowerHub. Messaging can presently be translated into English, French, Spanish, Arabic, and Thai.
- **Centralized Location:** Find information on class schedules, grades, assignments, announcements, directory and more!
- **Access from Anywhere:** MyPowerHub is currently available through any web browser and is mobile-responsive, so can be easily viewed on a mobile phone or tablet as well.

Login

Navigate to your district's MyPowerHub site and login according to district specifications. Districts will send this information in a separate letter or email.

Navigating MyPowerHub

1. Within MyPowerHub, each **PowerTile** displays top-level information for at-a-glance consumption.
2. Selecting the **PowerTile menu item** within the left navigation bar will provide additional details about that topic.
3. Select **Overview** at any time to return to the main MyPowerHub view.

NOTE: The menu items and PowerTiles available in your account are based on the PowerSchool applications your district has purchased, so your menu items may vary.

Navigating Between Students

1. Toggle between students using the **Student Switcher** menu. Select the child's name, then select a different child to view corresponding information.

NOTE: If you have only one child associated with your PowerSchool account, you will not have a Student Switcher menu.
