

PowerSchool Forms

1

Log in to the Parent Portal

Go to <https://youngstown.guardian.powerschool.com>. If you have never logged in, you need your student's Access ID and Access Password to create your parent account. Your school can provide the access information.

2

Select the Student

If you have more than one student, tabs with their names will appear at the top of the screen. Some forms are student-specific, so please make sure you select the correct student.

3

Forms

Click Forms

In the left navigation panel, click on **FORMS**.

4

Select the Form

Select the form from the list or click on the appropriate tab and choose the form there.

5

Submit Each Form

When you have completed all of the form's components, click **SUBMIT** at the bottom right. Some forms allow you to use the dropdown menu on the submit button and select "**Submit for Family.**"
